Dear Nursing Facility Administrators,

Once again we are proud to announce our upcoming Preceptor Training class. The Board has mandated that all preceptors are required to attend an approved Preceptor Training class every three years. We try to offer this class a couple of times a year for your convenience. Visit the website www.labenfa.com where this and other scheduled class information are attached.

Please note that although this class is targeted to equip Preceptors, it is open to the public and advantageous for all administrators as he guides you through each department. Administrators will receive six (6) approved CEU hours for attendance; no partial credit will be given.

For your convenience, we have attached the informational flyer for the next Training which is being held at our LABENFA office at 5647 Superior Drive, Baton Rouge, LA 70816 on Tuesday, November 7, 2017.

Space will be limited, if you plan to attend, please notify the office as soon as possible to confirm attendance. You may reply to mdurham@labenfa.com or call 225-295-8571 opt. 1.

Contact the office with any additional questions you may have.

Thank you.
